PROFILE

Dedicated and detail-oriented UI/UX Designer with practical skills in creating wireframing, prototyping, and high-fidelity design. Proficient in industry-leading design tools such as Figma and Adobe XD. I am eager to contribute fresh perspectives and innovative solutions to the dynamic field of UI/UX design

WORK EXPERIENCE

UI/UX Designer Intern

Zoople Technologies

Nov 2023 - Feb 2024

Throughout the internship period, I have developed a solid understanding of user-centered design methodologies, wireframing, prototyping, and visual design principles. I am proficient in design tools such as Figma , Adobe XD and have a keen eye for detail when it comes to crafting intuitive and visually appealing interfaces.

- Created wireframes, prototypes, and high-fidelity designs using Figma and Adobe XD, contributing to the development of user interfaces for web and mobile applications.
- Conducted user research and usability testing to gather feedback and iteratively improve design concepts, resulting in enhanced user satisfaction and engagement.
- Assisted in the implementation of design systems and style guides to maintain consistency and coherence across multiple projects.
