Saudi arabia- April 2019 -Nov'2022- 3 Years.**

Green Sand Testing & Sand Plant  
Monitoring.

Chemical Test, Micro test and Mechanical Test,  
Casting visual & dimension inspection monitoring.

Quality ISO Documentation work,  
Rejection analysis & CAPA Implementation.

New Product development.

5S, Kaizen, FMEA and 7 QC tools analysis.

Customer Technical Support.

### SKILLS

Well Interpersonal.

Good Communication.

Team Handling & work.

Customer Technical  
support.

Steel Structural  
fabrication.

Foundry Casting  
Production & Quality.

Materials Planning.

Sand, chemical and  
mechanical lab testing.

ISO Audit &  
Documentation work.

Rejection analysis &  
problem solving skills.

PPAP, FMEA & 7 QC Tools.

**Languages Known  
Well**

Tamil, English, Hindi.

**Process control supervisor at Technocast Foundry, Coimbatore.** From Dec'2017 –FEB'2019 - 1+ Years.

Monitoring Sand Plant.Core shop and molding process.
