## **EXPERIENCE SUMMARY :**

- Developed and Implemented User-Friendly Web Based Applications for a variety of clients.
- Designed and maintained multiple websites using HTML, CSS, JavaScript, JQuery and other Web Technologies.
- Then Developed and maintained various Web based Applications using PHP, MySQL, and AJAX.
- Font-End Development and support for back-end with Php and MySQL.
- Resolved technical issues and provided support to end-users. Assisted in the maintenance and updates of existing websites.

## **PROJECT DETAILS :**

- I have experience in creating various Content Management Systems (CMS) tailored to meet the specific needs of client projects,
- Similar to established platforms like Milliva blog, Bitcovia blog, and Biovus blog, I have utilized WordPress as a foundation for these systems.
- For projects such as Equinox Academy Trading website and Milliva Forex Trading website, I focused on crafting user-friendly and responsive web pages,
- Employing CSS frameworks like Bootstrap and Biovus technologies (utilizing PHP and MySQL), I ensured seamless navigation and compatibility across devices.
- Furthermore, I've delved into dynamic web development, particularly for projects like Crypto currency exchange website and Finevest MLM Website,
- Leveraging PHP and MySQL, I facilitated real-time interactions and data updates crucial for these platforms' functionalities.
- In addition to these projects, I've extended my expertise to E-Commerce Websites utilizing Laravel and MySQL. By integrating Bootstrap and Laravel, I delivered intuitive and visually appealing online shopping experiences.
- Moreover, I have experience in developing MLM Websites, including the creation of a 2x2 matrix MLM Website using Laravel and MySQL.
- These projects demanded meticulous attention to user interface design and backend functionality to support complex network structures and transactions.
- Overall, my diverse skill set in web development, coupled with my proficiency in various frameworks and technologies, allows me to effectively cater to the unique requirements of each client project, ensuring robust and user-friendly solutions.

### **ACHIEVEMENTS :**

- Earned a certificate in "Cybersecurity Essentials" from Cisco Networking Academy, demonstrating proficiency in essential cybersecurity principles and practices.
- Achieved certification in "Career Edge – Knockdown the Lockdown" conducted by TCS, showcasing adaptability and resilience in navigating career challenges during unprecedented times.

### **CO-CURRICULAR ACTIVITIES :**

- Engaged in the webinar "Essence of Future Readiness" hosted by Mahendra Arts and Science College, gaining insights into future-focused skills and competencies.
- Demonstrated athletic prowess by participating and achieving success in zone-level basketball competitions, culminating in a medal-winning performance.
- Displayed a commitment to holistic development by actively participating in both academic and sports-related extracurricular activities.
