

CHANDRARAJ TR

DATA ANALYST

I am currently a BSc Maths student, working hard to achieve my goals and dreams. Despite the challenges and obstacles that come in my way, I am trying my best to improve. I assure you that I will be a loyal partner for your company. I am well aware of my duty and will use my skills and what I have learned so far for the sake of my company. For me, duty comes first. Give me one chance and you can see me shine along with your company.

Skills

Organized

Communication

Teamwork

Meeting deadlines

Critical thinking

Experience

Graphic Designer and Data Science

Freelancer

april 2020 - Jan 2022

I was a freelancer and I gained great experience during this time period. You can call me a professional in this field. The time period of COVID lockdowns made me sharpen my skills. Most importantly, I am a hard worker who knows his duty.

Social service

Apata Mitra
Team Kerala
NSS

2023 onwards

2022 onwards

On college

This may sound irrelevant, but I believe this shows a proof that I am willing to accept any work and I am ready to fulfill my duty also ready to complete my work sincerely with my full potential.

Promotion

MAT Trissur,near lulu convention

Jan 2017 - Dec 2029

I did MAT promotion with the best excellence. It was my first job and all the compliments I got drove me forward. I am someone who puts duty first so I will always be a loyal partner.
