About Me

As an Education Specialist, my objective is to utilize my expertise and skills in creating an effective learning environment and helping students achieve their academic goals. I am committed to providing high-quality education and ensuring that each student's unique learning style is accommodated. My passion for education, combined with my knowledge of various teaching strategies and technologies, enables me to provide exceptional support and guidance to students and educators alike.

Professional Experience

Suvy Classes – Education Specialist
2022 – Present

- Developed and implemented curriculum plans and assessment tools that resulted in a 25% increase in student engagement and achievement.
- Collaborated with administrators and teachers to create and facilitate professional development sessions on differentiated instruction and technology integration.
- Conducted classroom observations and provided constructive feedback to teachers leading to improved teaching practices and student outcomes.
- Worked as a team lead, coordinating and managing classes to ensure the quality.
- Reviewed science content for the Suvy app launched by current organization.
- Worked with parents and community organizations to establish partnerships and involvement in school activities, resulting in enhanced student support and motivation.

Activities

- Took active part in almost all academic competitions (of both intra and inter college) at graduation and postgraduation level.
- Hosted Women's Day event in 2018. Given many classroom seminars.
- Certification in YOGA as part -c in graduation.

Declaration
