

MANIKANDAN K

UI UX DESIGNER

ABOUT ME

- I am a Senior UI/UX designer with four years of professional experience in the field.
- My expertise lies in conceptualizing and designing engaging software products that are both aesthetically appealing and highly functional.
- With strong problem-solving abilities and creative skills, I am able to deliver effective solutions that satisfy the needs of both the customer and the end-user.

EXPERIENCE

Dreams Technologies UI UX Designer

JULY 2022 - NOV 2023

- Developed user-friendly design concepts for a HRMS Dashboard, Mobile App, Freelancer Marketplace, Services Booking, Chatting App that all clients, requirements were met and company procedures fully followed.
- Created and implemented more than 30 original UI designs; provided drafts to supervisors in order to identify potential problems.

A2Z Technologies UI UX Designer

JUNE 2019 - JUNE 2022

- Design interaction models, sitemaps, wireframes, prototypes, screen flows and storyboards. Present each stage of the design process to stakeholders, clients and internal design, Create aesthetic and seamless navigation flows that reflect the marketing and sales funnel.
- Design user personas and scenarios based on experience and research of our product/service. Collaborate closely with developers to build both functional and aesthetic websites that are in line with our brand.
