PROJECTS

The Volatility Study on Technical Analysis of Share Market During Covid-19 Period

During MBA I finished my final semester project in title of 'The Volatility Study on Technical Analysis of Share Market During Covid-19 Period'.

Plastic Bag alternative

While studying in BBA, our classmates 4 members initiated some awareness about plastic bag and it's impact on the environment. So we create some alternative fabric bags, which is cost effective and sell it to the local market places. We obtained more than 4 orders and made profit. Finally we got an appreciation from collector of Karur.

SKILLS

Good leadership quality.

Strong analytical skills and attention to detail.

Good business acumen for problem solving.

Excellent time management skills and ability to prioritise a demanding workload.

EXPERIENCE

Information processing specialist (Credit appraisal processor for retail banking project)

Feb-2022 - Sept-2023

Tata Consultancy Services

In this role I work under a project which is a Flagstar bank and it's a famous well-known bank in US.

Particularly I work under a "credit team". My role is similar to credit officer and I handled "Personal Loan", "Mortgage loan" and working capital. Basically my duties include screening loan requests, evaluating clients' financial information, assessing risk ratios, and presenting approved or rejected loans to management.

ACHIEVEMENTS & AWARDS

I got on the spot award of best performer of month while working in TCS.

Obtained distinction in lower-level typing.

I got merit certificate from my college for securing highest marks in univercity examination in the year of 2018-19.

I got first place in Ad Zap competition which is conducted by my college.

I got third place in the summary writing competition in the title of 'Aids Awareness', which is conducted by my school.
