Experience

Web Developer - 01/2019 (still persuing)
Rifluxyss Software Private Limited, Chennai

Project 1: Breakthrough Broker

- Breakthrough Broker is widely considered the most popular Realtor resource in North America, making life easier for over 400,000 Realtors.
- Breakthrough Broker has strategies, marketing templates, tools, tutorials, plans, resources, and more to guide you through every facet of your real estate career.
- We also have a proprietary marketing material editor which takes the headache out of graphic design and allows you to secure professional, effective marketing materials with ease.
- We have more than 50 websites as a sub project with different clients under this project.
