INTERNSHIP

Company: Metro Apparels

Duration: 15 Days

In Metro Apparel, I served as a quality control associate. In this role, I gained valuable insights into the responsibilities and processes involved in quality checking garments.

Company: Augustan knitwear Pvt.Ltd

Duration: 1 Month

In this company, I had the opportunity to observe the process of producing knitwear and managing the supply chain. I spent 20 days in the role of production merchandiser, where I learned about various production systems and workplace layouts, as well as understanding the responsibilities of the production merchandiser. Following that, I spent an additional 10 days in the role of an industrial engineer, gaining insight into their roles and responsibilities.

Company: Advanced Clothing Concept

Duration: 3 Months

In this company, I had the opportunity to work in the sourcing department where I gained valuable experience in various aspects of sourcing, including communicating with vendors, following production, and sourcing fabrics. And I learned about the roles and responsibilities within the sourcing department. Additionally, I handled ERP software, raising purchase orders, managed documentation, and efficiently handled procurement processes.

Project

I was honored with the Best Project award at PSG Polytechnic College for my final year project titled "Influence of Knit Structure on Comfort Properties of Sports Wear Fabric."
