August 2022- September 2022

- \*Assisted in bookkeeping tasks, including data entry and reconciliation of financial statements.
- \*Collaborated with team members to analyze financial data and identify discrepancies.

## Project

### Empowering Women Entrepreneurs

As part of my academic pursuits, I undertook a project focused on empowering women entrepreneurs. I analyzed the challenges faced by women entrepreneurs and devised strategies to promote their businesses effectively. The project aimed to raise awareness about gender disparities in entrepreneurship and suggested practical solutions to enhance opportunities for women in the business world. This experience honed my research, communication, and problem-solving skills, fostering my passion for promoting gender equality in the entrepreneurial sphere.
