Hello, my name is Anirudh Sharma, a finance graduate. I have an overall experience of 2 years in the field of Operations Management.

Along with that, I possess some skills; Project management, Client relationship management, Financial analysis, Financial modeling & valuations, MS Office, MS Excel, Tableau, and SQL, and working more on my skills to enhance my performance.

I am very greedy to learn new things and apply them practically. So, that I can work more effectively and efficiently.

Currently looking for a Full-time Job in the field of Operations. As I want to make a career in this domain and that is why I've decided, that in the future, I'll go for a distance learning MBA program from NMIMS with my ongoing job to gain more knowledge in Operations.

Willing to relocate: Anywhere
