Work Experience

► Graphic Design Intern

Pickle VFX

Nov 2022-June 2023

- Structured and created various picture components and effects, including fire, smoke, and water, to enhance visual sequences.
- Collaborated seamlessly with different VFX specialists, the VFX head, and VFX supervisor to ensure the successful integration of visual effects elements.
- Worked closely with the VFX team to execute and achieve company goals and objectives, contributing to the overall success of projects.

► Graphic Design Intern

D Creative

April 2022-May 2022

- Designed various print materials, newsletters, brochures, ensuring that the company's high standards and requirements are met
- Proficiently utilized Adobe InDesign to design and create visually engaging marketing materials, including brochures, flyers, and product catalogs
- Collaborated with senior video editors to edit and enhance a variety of video content, including promotional videos, interviews, and event coverage.
- Utilized Adobe Premiere Pro and After Effects to cut, trim, and refine video footage, ensuring a seamless and visually appealing final product.
- Assisted in color correction and grading, enhancing the overall visual quality of videos and maintaining brand consistency.
