ABOUT ME

Hello! I'm **Srikar Designer** a passionate graphic designer with a keen eye for detail and a love for creative storytelling. With **1 year [freelancer]** of experience, I've had the privilege of working on a diverse range of projects that have enriched my skills and honed my design aesthetic.

I am proficient in industry-standard design software such as **Photoshop, Illustrator, InDesign, figma, Canva** and have a strong understanding of design principles and typography. I am also adept at collaborating with clients and team members, ensuring that every project is executed with precision and meets the highest standards of quality.

EXPERIENCE

In my 1 Year [freelancer] as a graphic designer, I've embraced various projects that have honed my skills and creativity. Collaborating with clients and teams, I've crafted designs that blend innovation with functionality. Through feedback and continuous learning, I've refined my design approach, aiming to create impactful visuals that resonate with audiences. Excited for the journey ahead, I'm committed to further growth and excellence in the dynamic world of graphic design.
