- Fish vendor is a traditional occupation that has been a means of livelihood for
- thousands in India, with the majority of fish vendors being women. Fish vendors
- engage in their trade in various ways they procure their fish directly from landing
- centres, where they participate in daily auction of the catch; they buy from trades and
- merchants; or they buy from the wholesale markets for resale at retail/local markets
- Vendors also carry out value addition by sorting, cleaning and icing the fish.
