

RESUME

Name: A Aswathi

Mobile No. 7539956673

Mail ID ashwathi21398@gmail.com

Work Experience:

Front-End Developer: Helloweby

- Developed and maintained in-house web applications using React.js for Helloweby's project management needs.
- Collaborated with a team of developers to design, implement, and deploy robust and scalable web solutions, ensuring high performance and user satisfaction.
- Implemented responsive design principles to optimize the user experience across various devices and screen sizes.
- Utilized React.js libraries and frameworks (mention if any specific ones like Redux, React Router, etc.) to streamline development processes and enhance code reusability.
- Integrated third-party APIs and services to extend the functionality of the web application, facilitating seamless data exchange and enhancing overall productivity.
- Conducted thorough testing and debugging to identify and resolve software defects, ensuring the reliability and stability of the web applications.
- Actively participated in code reviews and contributed to the continuous improvement of coding standards and best practices within the development team.
- Demonstrated strong problem-solving skills and a proactive attitude in addressing technical challenges and meeting project deadlines
