📍 43, S.V.Colony 6th Street East, Tirupur, India

EDUCATION

M.Sc Bioinformatics current
Bharathiar University

B.Sc Biotechnology 2021 passed out
PSG College of Arts and Science
68%

12th Standard 2018 passed out
Vikas Vidyalaya matric higher secondary school
87%

10th Standard 2016 passed out
Vikas Vidyalaya matric higher secondary school
97%

SKILLS

Program knowledge: C and C++

Next Generation sequencing

Familiar with bioinformatics tools

PERSONAL PROJECTS

Prediction of Protein Target for Leukemia from Differentially expressed genes

Disease network analysis using Cytoscape

Expression of lncRNA in glioma and Survival prediction

CERTIFICATES

Internship - Basics of Oncology and Cancer stem cells

NPTEL - Wildlife Ecology

NPTEL - Conservation Economics

COURSERA - Leadership and Emotional Intelligence

LANGUAGES

Know to Read and write:
Tamil, English
Native or Bilingual Proficiency

REFERENCE

Dr.N.Jeyakumar, HOD, Department of Bioinformatics,
Bharathiar University.
