**Project work**  
**Dec 2019 – Jan 2020**

A study on inventory management with reference to Travancore Cochin Chemical Ltd, Udyogamandal, Kochi. The study was about various inventory management techniques followed by the company. The project was completed with the help of Mrs. Radhika, who guided me in the Company. I drew the data for 6 years from the annual report of the company. I also visited the store's department for collecting data.

**Publications**

A research paper based on "Impact of GST on Textile Shops in Ernakulum District" was published in IJRTE. The study analyzed the effect of GST on sales volume in textile shops, the changes that took place in the cost of textile products after GST, and the estimated value of profit of the textile shops.
