- Working as a **Associate Test Engineer** in TEK Systems, Pune (Mindtrail Technologies) from **Oct 2020 to Feb 2022**

### Projects

#### Project: 2

**Domain** : **Insurance**

**Role** : Test Engineer

**Environment** : **Manual & Automation Testing[BDD-Cucumber-Java]**

**Team Size** : **10**

**Duration** : **Mar22 to Till Date**

**Technology and Tools** : Java,Selenium WebDriver, BDD Cucumber, POM, TestNG, POI, JIRA.

#### Roles and Responsibilities:

- Executing the test cases manually.
- Development of test code in Java language using Eclipse IDE and TestNG Framework.
- Involvement in development of common functions/Utility

methods.

- Writing Selenium WebDriver scripts for regression and Behavioral Driven framework for Functional testing.
- Integration of BDD framework and Page Object Model for some modules.
- Verification of test results and logging defects.
- Performing cross browser testing by test scripts execution on IE, Firefox and Chrome.
- Development of scripts to read and write test data from/to excel sheets.
- Reporting the bugs in Jira.
- Generation of logs using Log4j and test report using extent reports.

## **Project: 1**

**Domain** : E-Commerce

**Role** : Associate Test Engineer

**Technology and Tools** : Selenium WebDriver, TestNG, BDD Cucumber, POM, JIRA

**Duration** : Oct 2020 to Feb 2022

**Description** : The project is E-commerce Website which attracts all types of peoples. The website is module which are available are Home decor, Kitchen, dinning, Lamp, lighting, Garden, outdoor, Lifestyle & fashion, Art, painting and Furniture.  
It is an online shopping portal, which provides excellent online shopping experience for the users

### **Roles and Responsibilities:**

- Executing the test cases manually.
- Development of test code in Java language using Eclipse IDE and TestNG Framework.
- Execution of the test automation scripts.
- Involvement in the development of common functions required for Selenium scripts.

- Performing cross-browser testing by test script execution on IE, Firefox, and Chrome.
- Verification of test results and logging defects.
- Development of scripts to read and write test data from/to excel sheets.
- Generation of logs using Log4j and test reports using extent reports.

### SelfAssessment

- Excellent communication, interpersonal and Problem-solving skills.
- Honest & Hardworking.
- Independent & Self Motivated.
- Quick learner and Ability to perform in any situation.
- Relationship management.
- Team player.

### PersonalDetails

- Father's Name : Vijay H. Kakad
- Date of Birth : 22/01/1992
- Gender/Nationality : Male/Indian
- Marital Status : Unmarried
- Address : Kaulkhed, Akola.
- Languages Known : English, Marathi and Hindi.
