SKILLS

- Python
- Web Framework(Django)
- HTML/CSS
- SQL
- Git
- Javascript
- UX\UI Design
- Machine Learning
- Data Analytics
- Data structures
- RESTful APIs

EDUCATION

B.TECH - Information Technology
2020 - 2024
Sathyabama Institute of Science and Technology
CGPA - 8.63

Higher Secondary Education
2019 - 2020
Rose Mary Matric Hr.Sec School
Percentage - 76.8%

Secondary School Leaving Certificate
2017 - 2018
Rose Mary Matric Hr.Sec School
Percentage - 95.6%

CERTIFICATION

- Data Analytics - NSIC
- Full Stack Software Developer Professional Certificate - IBM
- UX/UI Design - Pride Macincode

PROFILE SUMMARY

Passionate and driven fresher with expertise in Python development using Django framework. Proficient in leveraging data analytics tools like PowerBI to derive actionable insights. Skilled in full-stack development, adept at handling both front-end and back-end tasks. Additionally, proficient in web design with a focus on UX/UI principles. Eager to contribute innovative solutions and learn from experienced professionals in the field..

PROJECT

Project - 1

Comprehensive Cancer Diagnosis Interface (Python, CNN, Deep Learning)

- Designed to provide enhanced medical insight, it empowers clinicians with comprehensive diagnostic tools for precise and timely cancer detection and evaluation.
- .A Multi-Faceted Web-Based Platform. Utilizing an array of sophisticated algorithmic models, this platform offers unparalleled capabilities in detecting and analyzing six distinct types of carcinomas.

Project - 2

Prediction Of Flight Delays (Data Analytics)

- Developed and implemented predictive analytics models within Power BI to forecast flight delays accurately.
- Leveraged Python programming language to design, develop, and implement a machine learning model for predicting flight delays.

Project - 3

E-Commerce App Interface (UX UI Design)

- Created visually stunning and consistent design elements, including color schemes, typography, icons, and imagery, aligned with the brand identity and target audience preferences.
- Utilized industry-standard tools such as Sketch and Figma.

Project - 4

Bot To Compare Price From Two Websites Based On Customer Review (RPA)

- To analyze and compare prices of a product in different shopping websites.

SOFT SKILLS

1. **Communication**: Effective communication to facilitate collaboration and understanding.
2. **Teamwork**: Strong team player with a history of successful group contributions.
3. **Adaptability**: Quick to adjust and thrive in changing environments.
4. **Problem-Solving**: Proactive in identifying and resolving complex issues.
