As a Computer Science undergrad with a strong technical foundation in Python, Java, and front-end development, I'm passionate about leveraging technology to drive innovation and solve real-world problems. With a knack for clear and effective communication, along with excellent planning skills, I'm eager to collaborate and contribute to exciting projects in the tech industry. Let's connect and explore opportunities to work together!

Willing to relocate to: Chennai, Tamil Nadu - Bengaluru, Karnataka - Coimbatore, Tamil Nadu
