KAMBLE VINOD

Email: vinodkamble9398@gmail.com
Phone: 8686489614

OBJECTIVE:

To become Dot Net Developer and utilize my knowledge in software development, coding and debugging. Passionate about coding and software development. A quick learner with the capability to quickly grasp new software development technologies.

PROFESSIONAL SUMMARY:

- Good knowledge in C#, .NET Framework and Visual Studio
- Skilled in developing ASP.NET web applications
- Knowledge of web technologies including HTML, CSS, JavaScript and XML
- Strong understanding of Object- Oriented Programming (OOP)
- Knowledge of Asp.Net and related frameworks
- Develop software applications using Asp.Net
- Proficient in MS SQL Server and database development
- Basic knowledge in Dot Net Core.
- Knowledge of SDLC (Software Development Life Cycle) and (Software Testing Life Cycle) STLC
- Good understanding Agile Methodologies-Scrum
- Good knowledge in designing, coding and debugging software

PROFESSIONAL SKILLS:

- **Dot Net:** C#, ASP.Net, ADO.Net, ASP.Net MVC, Entity Framework, Web API
- Dot Net Core (Basics)
- Visual Studio 2019
- MS SQL Server 2019
- HTML, CSS, JavaScript and XML
- Manual Testing
- SDLC (Software Development Life Cycle)
- Agile Methodologies-Scrum
- STLC (Software Testing Life Cycle)
- JIRA

PROJECT:

Project Name	**: Helping Hands (Blood Donar Details)**
Programming Language	**: C#.Net**
Technologies	**: ASP.Net & ADO.Net**
Database	**: SQL Server**
UI Technology	**: HTML**

Description: The main purpose of this project is to store the Blood Donar details from the user and Display the Doner details as per requirement and Admin can delete or edit the doner details. Here User can register and Login into this Application and view the blood doner details.

Responsibilities:

- Developed ASP.NET web applications using C# and .NET technology.
- Assisted in the design and architecture of web applications.
- Developed secure web services for accessing and manipulating data.
- Worked with the team to define the feature and requirements of web applications.
- Developed SQL queries and stored procedures.
- Implemented new features and functionality to existing applications.
- Design, develop, test and deploy applications and websites.
- Analyse and resolve issues related to applications and websites.
- Develop and maintain code using C# and Asp.Net.
- Collaborate with other developers and designers.
- Follow coding standards and best practices

PERSONAL SKILLS:

- Good Communication Skills (English, Marathi, Hindi and Telugu)
- Good Learner
- Usage of MS Excell & Word
- Good in Analytical and Problem Solving

ACADEMICS:

Qualification	Institution	Board/ University	Year of passing	% Of Marks
B-Tech (Mechanical Engineering)	Institute Of Aeronautical Engineering	JNTU -H	2018	65%
Intermediate (MPC)	Sri Chaitanya Jr. College	Board of Intermediate Education	2014	89%
SSC	Siddhartha High School	Board of Secondary school Education	2012	9.0 GPA

PERSONAL DETAILS:

Full Name   : KAMBLE VINOD
Languages known   : English, Telugu, Hindi, Marathi
Gender   : Male
Nationality   : Indian
